Welch Hall is on the southwest corner of 24th St. and Speedway. The arrow on the map below points to the entry door closest to our offices. Enter, go down the steps (to level 2 where our office is located is below street level there, but on street level if you enter the building from Speedway) and turn right. Go through the double doors in the corridor and our offices (2.426, 2.424, 2.420) are on the left.
